HeronBridge College provides a caring environment for pupils and staff alike. We know that the biggest inhibitor to success is not a lack of ability, but rather a lack of self-confidence and we work tirelessly to nurture, grow, support and encourage our pupils and colleagues to enable us all to excel in our various fields.

We believe very much in growing the capable and thinking minds that our country needs for the future and, with this in mind, we are looking to augment and enhance our staff team for 2019.

We are located on magnificent grounds 10km north of Fourways, where the two Jukskei Rivers meet. The school was founded in 2001 and our doors were opened to a class of busy pre-primary children. Today we are a thriving educational centre of excellence with upwards of 1400 pupils across our Pre-Prep, Prep and College.

The school is founded on **Christian principles** and aims to provide an education of the highest quality, developing each child academically, socially, emotionally and spiritually.
