Nuusbrief 24/2018

30 Oktober 2018

REGISTRASIE BY DIE SUID-AFRIKAANSE RAAD VIR OPVOEDERS (SARO)

'n Skoolhoof is in die onlangse verlede aangekla omdat hy toegelaat het dat opvoeders in Beheerligaamposte skoolhou, sonder dat hulle volledig gekwalifiseerd is en sonder dat hulle by SARO geregistreer is.

In die lig van hierdie gebeure wil die SAOU weer die volgende belangrike inligting onder die aandag van alle hoofde en lede bring:

Ingevolge SARO Wet 31 van 2000, soos gewysig deur die gewysigde Wet op Basiese Onderwys, 15 van 2011 is dit verpligtend vir alle opvoeders wat binne die grense van die RSA aangestel word om by SARO te registreer. Geen opvoeder mag praktiseer tensy hy/sy by SARO geregistreer is en moet hom/haar neerlê by die gedragskode van hierdie liggaam. Dit sluit ook beheerliggaam-aanstellings en opvoeders by privaat skole in. Dit impliseer dat geen opvoeder wat nie geregistreer is by SARO, aangestel mag word nie.

Wie moet almal by SARO registreer?

Opvoeders wat werksaam is by:

- Openbare skole
 - Opvoeders in diens van die betrokke provinsiale onderwysdepartement i.t.v die Wet op indiensneming van Opvoeders (1998); en
 - Opvoeders in diens van die betrokke skoolbeheerliggaam in terme van Artikel 20 van die SA Skolewet (1996) en die Wet op Basiese Diensvoorwaardes (1997);
- Erkende **onafhanklike** skole;
- VOO inrigtings (opvoeders aangestel onder die VOO Wet van 1998);
- Sentrums vir volwasse leerders (**ABET**);
- Waldorf en Montessori sentrums;
- **VKO** opvoeders met minimum NKR vlak 4 kwalifikasies, wat aangestel is by publieke en onafhanklike skole om Gr R te onderrig;

- **Buitelandse** opvoeders wat aangestel is i.t.v. 'n SARO Resolusie (2008);
- Onderwysers in opleiding (**SBO opvoeders**) volgens 'n SARO Resolusie (2006).

Dit het verder onder die SAOU se aandag gekom dat daar baie verwarring heers rondom die registrasie van studente. SARO het bevestig dat studente kan aansoek doen vir voorwaardelike registrasie in enige jaar van studies.

Die volgende dokumente word ook vereis:

- Bewys van registrasie van die relevante hoërondewysinstelling (nie 'n rekenaardruk, studente kaart, rekening of puntetaat nie);
- 'n Brief van indiensneming van die skool (op briefhoof, gedateer, geteken, gewaarmerk met die skoolstempel op).

Studente (in enige jaar) ontvang voorwaardelike registrasie , met 'n vervaldatum, onderhewig aan professionele kwalifisering. Dit is die student se verantwoordelikheid om by voltooiing van studies 'n gesertifiseerde afskrif van sy/haar kwalifikasie aan SARO te voorsien vir permanente registrasie.

SAOU herinner lede daaraan dat ongekwalifiseerde opvoeders (studente- of assistentonderwysers/interns) nie 'n klas mag onderrig sonder die toesig van 'n gekwalifiseerde opvoeder nie. Die Personeel Administrasie Maatreëls (PAM) bepaal dat slegs gekwalifiseerde onderwysers met 'n ROKW 13 of hoër kwalifikasie as opvoeders aangestel mag word. **Bogemelde geld ook vir persone wat deur die skool in toesighoudende hoedanigheid gebruik word wanneer personeel afwesig is.** Die praktyk om 'n ongekwalifiseerde onderwyser of toesighouer uit skoolfonds te betaal, of om 'n onderwyser toe te laat om 'n toesighouer direk te betaal, is onwettig.

Laastens word hoofde en lede ook daarop gewys dat alle nuwe onderwysers wat vanaf 2019 by SARO wil registreer, polisieklaring sal moet kry alvorens SARO sertifikate aan hulle uitgereik sal word.

REGISTRATION WITH THE SOUTH AFRICAN COUNCIL FOR EDUCATORS (SACE)

A Principal has recently been charged because he allowed educators to be appointed in Governing Body positions, whilst they were not professionally qualified, as well as not being registered with SACE.

In the light of this, the SAOU would again like to bring the following important information to the attention of all principals and educators:

Section 21 of the South African Council for Educators Act, 2000 requires that every educator contemplated by the Act must register with the Council before appointment to a teaching post, and that no person may be employed as an educator by an employer unless that person is registered with the Council. This includes SGB - and private school educators.

Who must register with SACE?

Educators employed at:

- Public Schools:
 - Educators employed by the **provincial departments of education** in terms of the Employment of Educators Act of 1998; and
 - Educators employed by **School Governing Bodies**, in terms of Section 20 of the South African Schools Act (1996) and the Basic Conditions of Employment Act (1997)
- Recognised **independent** schools;
- Further Education and Training Institutions (employed in terms of the **FET** Act of 1998);
- Adult learning centres (**ABET**);
- Waldorf and Montessori centres;
- **ECD** educators with a minimum NQF level 4 ECD qualifications employed in public and

- independent schools to teach Grade R;
- **Foreign** educators as per Council Resolution of 2008;
 - **Trainee** Teachers as per Council Resolution of 2006 (SBET Educators).

It was brought to the attention of SAOU that there is a lot of confusion with regards to the registration of student- or assistant teachers/interns. SACE confirmed that students in any year of studies can register provisionally.

The following document must also be provided:

- Proof of registration at a higher education institution (not a computer printout, student card, or statement of accounts, a statement of results);
- A letter of employment (on school letterhead, signed, dated and stamped).

Students (in any year of studies) will then be registered provisionally with an expiry date, subject to their professional qualification. It is the responsibility of the student to supply SACE with certified copies of the certificates upon completion of studies to qualify for permanent registration.

SAOU would like to remind members that unqualified educators (student- or assistant educators/interns) are not allowed to teach without the supervision of a qualified educator. The requirements stated in the Personnel Administration Measures (PAM) are applicable: In order to qualify for appointment as an educator a person must have at least a recognised three-year qualification (REQV13) which must include appropriate training as an educator. **This also applies to persons who are used to invigilate when teachers are absent or on leave.** The practice of paying an unqualified teacher or invigilator from schools funds, or allowing a teacher to directly pay an invigilator, is illegal.

Finally, principals and members are also alerted to the fact that all new teachers who want to register with SACE from January 2019, will need to obtain and submit a police clearance certificate before they will be registered by SACE.

CHAPTER 4 OF THE CAPS DOCUMENT

A big word of thanks for every comment we received. Each one is extremely valuable and the SAOU appreciates the time and effort spent on it.

The DBE has extended the submission date and you can still submit comment to the SAOU until Friday, 7 December 2018. This is your last opportunity to make a difference to the workload
