

SERVICE 8 **Professional Development**

ACSI strives to equip and develop Christian teachers and leaders through face-to-face and online training, while helping them to implement the foundations of Christian education.

Regular Teacher Workshops, Online Learning Courses, Regional Teacher Conferences, National Conferences, ECD Conferences, The Emerging Leaders Initiative, Head-to-Head Discussions, Principal Meetings, Financial Administrators', Marketing and Sports Forum Meetings, and Resource Webinars are all opportunities for teachers and staff to connect to our community of like-minded professionals and to support professional development and growth, while inspiring a passion for the pursuit of God's truth and the skills required for quality education. ACSI is a registered SACE CPTD provider.

SACE registered teachers can claim CPTD points for ACSI Events. Schools also have access to ACSI Global offices and International Christian Educators Conferences around the world.

FAQ

How can I attend one of these training sessions?

ACSI has all upcoming events posted on the Events page of our website, Facebook page and on the ACSI App. Depending on which event you are interested in, follow the registration process that can be seen in the description of the event.

Where can I see all the workshops which ACSI presents?

Refer to the Training page of our website and click on the [Workshops sub-tab](#) that appears when hovering over the word Training. On this page, you will find different categories and topics that ACSI presenters are available to present. At the bottom of the Workshop page, is a list of all recommended presenters, who have presented topics for us at online and face-to-face workshops and conferences in the past.

How can I host an ACSI workshop at my school?

Contact the ACSI office with details of the workshop you would like to host, and we will get back to you with available dates and times.

How do I enrol for an ACSI online learning course?

All online courses are available under the Training tab of our website. Refer to the Online Learning sub-tab where you will find a description and price for each course.

How can my school enrol for more than one teacher?

Contact the ACSI office with the details of all the staff members who would like to complete a certain course. Details should include name, surname, email address, cell number, SACE number and name of the course they would like to complete. Once the request has been processed, an invoice will be issued to your school. Coupons will only be issued once proof of payment has been sent to the ACSI office.
