

## Sunrise Readers

The Sunrise Readers are engaging storybooks designed to make learning-to-read exciting and accessible, particularly for children in Africa and the diaspora. With a proven track record in Zimbabwe over the past 30 years, these readers use carefully crafted text and systematic phonics to build literacy incrementally. Featuring vibrant artwork, folk tales, childhood literature, legends, Bible stories, poetry, and informational texts, the stories convey core values like respect, acceptance, honesty, kindness, courage, and compassion.

## Bible Series

The eight-level Bible textbook series provides multiple opportunities for students to choose to follow Jesus and develop a personal relationship with Him. Students will learn to apply biblical truth to their lives through Scripture memorisation and lessons on Christlike character. Compatible with any Bible translation, this series easily integrates into your chapel program and offers cross-curricular connections.

## Social Sciences, Natural Sciences & Technology Lighthouse Series

The Lighthouse series is an excellent, value-driven Christian curriculum that is CAPS-aligned and Biblically integrated. The purpose of the curriculum is to guide learners to have a thorough knowledge and understanding of the subject content and principles so that they are equipped to apply the new knowledge together with their gifts and talents in God's service and their community.

## Character Foundations Series

The ACSI Character Foundation Textbook series is a creative and engaging program for Kindergarten through Grade Six, focusing on godly character traits. Presenting God as the source and strength of character, it encourages students and teachers to respond in obedience, worship, and admiration. Through observing behaviour, discussing consequences, and participating in activities, students strengthen their understanding and demonstration of each quality.
