

PRICE LIST

New titles added regularly

These essential resources are a range of carefully selected books and monographs we have chosen to encourage those in Christian schools. Featuring the latest editions of high-impact titles, this growing collection equips teachers and leaders with practical, biblical wisdom in key areas such as teaching redemptively; biblical worldview and spiritual formation; special education and inclusion; mental health and well-being; school board governance; redemptive discipline; and artificial intelligence. These titles are perfect for school leaders, board members and teachers seeking high-quality tools to strengthen Christ-centred education.

Redemptive School Discipline	NEW	R150,00
Serving God on the Christian School Board		R150,00
Teaching Redemptively		R320,00

Leading Insights

ACSI's Leading Insights series highlights the latest thinking on best practices for Christian school educators in areas of key importance in their schools. Each monograph in the series draws on leading experts, as well as Christian school perspectives and voices, to share fresh ideas for advancing your school's Christ-centred mission in an important area of focus.

Special Education and Inclusion		R125,00
Biblical Worldview and Spiritual Formation		R125,00
Artificial Intelligence		R125,00
Mental Health and Well-being		R125,00

Bible Series

The eight-level Bible textbook series provides multiple opportunities for students to choose to follow Jesus and develop a personal relationship with Him. Students will learn to apply biblical truth to their lives through Scripture memorisation and lessons on Christlike character. Compatible with any Bible translation, this series easily integrates into your chapel program and offers cross-curricular connections.

Lighthouse Series

Social Sciences, Natural Sciences & Technology

The Lighthouse series is an excellent, value-driven Christian curriculum that is CAPS-aligned and Biblically integrated. The purpose of the curriculum is to guide learners to have a thorough knowledge and understanding of the subject content and principles so that they are equipped to apply the new knowledge together with their gifts and talents in God's service and their community.

Character Foundations Series

The ACSI Character Foundation Textbook series is a creative and engaging program for Kindergarten through Grade Six, focusing on godly character traits. Presenting God as the source and strength of character, it encourages students and teachers to respond in obedience, worship, and admiration. Through observing behaviour, discussing consequences, and participating in activities, students strengthen their understanding and demonstration of each quality.

Doing what is right ST Grade 1	Learner Guide	R100,00
